TERMS OF SERVICE

Welcome to the c-Market™, founded by the c-Market™ originators and offered through the Cyber Resilience Institute, a 501(c)(3) nonprofit. By reference to c-Market™ herein, it means the originators, the Cyber Resilience Institute, its partners and affiliates, or other rights holder with authority to enforce those rights.

By using this site, you are using c-Market™ services. By clicking “I agree” or otherwise signaling your agreement through your actions on this site, you agree to these conditions. Please read them carefully.

c-Market™ and its partners offer a wide range of products and services. Other licenses and agreements general govern those products and services, and you are bound by the terms of those licenses and agreements, in addition to these Terms of Service. If these Conditions of Use are inconsistent with the Service Terms, those Service Terms will control.

INTELLECTUAL PROPERTY AND LICENSES

c-Market offerings and participation are solely available through license. The c-Market, including all accumulated partner solutions, platforms, and engagement models, represent a comprehensive Body of Work (“the ensemble”). The Ensemble, or any individual component, is only available for use through execution of a License Agreement. Any other use, without a granted license, represents an infringing use of this Body of Work. Subject to your compliance with these Terms of Service, and any Service Terms, License, or accompanying agreement, and your payment of any applicable fees, c-Market™ or its partners grant you a limited, non-exclusive, non-transferable, non-sublicensable license, unless otherwise indicated, to access and make use of the c-Market offerings and c-Market participation. All commercial participation of any kind is conditioned upon your execution of the separately available c-Mark license and Master Participation Agreement. All rights not expressly granted to you in these Terms of Service or any other license or agreement, are reserved and retained by c-Market or its licensors, suppliers, publishers, rightsholders, or other content providers. You may use the c-Market™ offerings only as permitted by law. The licenses granted by c-Market™ terminate if you do not comply with these Terms of Service.

Use of these marks is strictly governed by separate license agreements available on this site, and no use is permissible without executing an appropriate license. These represent the sole ownership of c-Market™, as protected in the U.S. and other countries. Licensed use must strictly comport with the terms of the license, properly executed. Further, no use is permitted of any kind that is likely to cause confusion in the marketplace, or in any manner that disparages or discredits c-Market or its partners. All other trademarks not owned by c-Market™ that appear in any c-Market™ offering or community marketplace are the property of their respective owners, who may or may not be affiliated with, connected to, or sponsored by c-Market™.
